**Event:** 30 children and adults with disabilities from central Illinois team up with local tournament fishermen in a Bass Masters style competition that provides a memorable experience for all and generates revenues to support the mission of Camp Big Sky. Approximately 250 people attend the event annually.

**How you can help:** Become a sponsor for the event and/or donate a raffle prize. Complete and return the Sponsorship form to help us make a difference in the lives of those we serve. Camp Big Sky does not rely on state or federal funding; local support of the community is vital to our continued success.

**Mission:** Camp Big Sky is a non-profit organization who provides education, training, and skills development to children and adults with disabilities through participation in accessible outdoor activities. Each year we host over 2400 visitors, all at no cost for day services.
